RESEARCH EXPERIENCE

Assistant Project Coordinator
August 2010 – August 2012

FAMILY Research Lab

University of Miami: Coral Gables, FL

Mentor: Youngmee Kim, Ph.D.

Met with patients & recruited them for study participation. Administered study materials to patients. Accompanied patients to blood draws. Followed up with patients in the material collection process. Prepared study materials to be given to patients. Prepared study materials to be used by nurses during assessment of patients. Entered participant data into SPSS & analyzed results accordingly.

Research Assistant
May 2011 – August 2011

Just for University of Miami Psychology Students to Accelerate Research Training (JUMP START)

University of Miami: Coral Gables, FL

Mentor: Youngmee Kim, Ph.D.

Examined the effect of personality on the potential for benefit finding in a sample of cancer patients. Conducted a literary research, generated relevant research questions, & wrote a full-length research paper.

Research Assistant
August 2009 – May 2010

Social Emotional Readiness Lab

University of Miami: Coral Gables, FL

Mentor: Rebecca Shearer, Ph.D.

Worked with preschool aged children in Head Start programs in schools across Miami-Dade county. Assessed children & their classrooms using the Classroom Assessment Scoring System (CLASS). Entered data collected from parents & children into SPSS.

Research Assistant
August 2009 – May 2011

Community & Social Change Program
University of Miami: Coral Gables, FL

Mentor: Laura Kohn-Wood, Ph.D.

Discussed different means of helping members of the community. Identified minority groups in the area that might be interested in participating in focus groups. Organized communal support groups for the North Miami area.

VOLUNTEER EXPERIENCE

Note Taker
August 2010 – June 2012

Office of Disability Services
University of Miami: Coral Gables, FL

Provided class notes for students diagnosed with intellectual and/or developmental disorders. Completed a total of 60 volunteer hours.

Instructor
January 2010 – January 2011

Project HOPE
Lillie C. Evans Elementary School: Liberty City, FL

Worked with at-risk children after school. Assisted children with their homework & answered any general questions. Supervised children at play, at rest, & on field trips. Discussed good work ethic with children & developed beneficial study habits. Created a questionnaire-based feedback system to administer to parents regarding the program. Completed a total of 312 volunteer hours.
